

**DECLARATION OF EMERGENCY****Department of Environmental Quality  
Office of Environmental Assessment****Expedited Penalty Agreement  
(LAC 33:I.801 and 807, and VII.115 and 315) (MM004E2)**

In accordance with the emergency provisions of R.S. 49:953(B) of the Administrative Procedure Act, which allow the Department of Environmental Quality to use emergency procedures to establish rules, and of R.S. 30:2011, which allows the department to establish standards, guidelines, and criteria, to promulgate rules and regulations, and to issue compliance schedules, the secretary of the department hereby declares that an emergency action is necessary in order to implement expedited penalty agreements.

This is a renewal of and revision to Emergency Rule MM004E1 that adds certain additional violations of the solid waste regulations to LAC 33:I.807, and amends LAC 33:VII.115 and 315 accordingly, and which was effective on July 18, 2007, and published in the *Louisiana Register* on July 20, 2007. This version of the Emergency Rule (MM004E2) adds certain violations of the new underground storage tank (UST) delivery prohibition regulations; reorganizes the existing list of violations in order by citation; clarifies various existing violations; adjusts existing penalty amounts to be consistent across media for similar violations; and adds other waste tire, water quality, and UST violations.

The expedited penalty agreement rule, LAC 33:I.Chapter 8, became final on December 20, 2006. This Emergency Rule supplements that rule by adding certain violations to, and clarifying existing violations in, the types of violations that may qualify for expedited penalties. The Emergency Rule will abate delays that have occurred in correcting violations of the Environmental Quality Act concerning the unauthorized transporting, disposal, and/or burning of solid wastes and violations of the UST delivery prohibition rule required by the federal Underground Storage Tank Compliance Act of 2005. Delays in enforcement reduce the effectiveness of the enforcement action and unnecessarily utilize resources. In the recent past, complaints of unauthorized disposal and burning of solid wastes have increased considerably, especially in the hurricane-impacted areas. This Emergency Rule will provide an alternative penalty assessment mechanism that the department may utilize, at its discretion, to expedite penalty agreements in appropriate cases, reducing staff time and increasing efficiency in addressing such violations. The report to the Governor by the Advisory Task Force on Funding and Efficiency of the Louisiana Department of Environmental Quality has approved an expedited penalty approach. It recommended a pilot program for addressing certain classes of violations with penalties in a timelier manner. The legislature approved that report and passed Act 1196 in the 2003 Regular Session allowing the department to promulgate rules for the program. A pilot program was created and monitored for approximately two years. Positive feedback on the program led the department to promulgate the permanent expedited penalty agreement rule that became final on December 20, 2006.

This Emergency Rule is effective on November 15, 2007, and shall remain in effect for a maximum of 120 days or until a final rule is promulgated, whichever occurs first. For more information concerning MM004E2 you may contact the Regulation Development Section at (225) 219-3550.

This Emergency Rule is available on the Internet at [www.deq.louisiana.gov/portal/tabid/1669/default.aspx](http://www.deq.louisiana.gov/portal/tabid/1669/default.aspx), and is available for inspection at the following DEQ office locations from 8 a.m. until 4:30 p.m.: 602 N. Fifth Street, Baton Rouge, LA 70802; 1823 Highway 546, West Monroe, LA 71292; State Office Building, 1525 Fairfield Avenue, Shreveport, LA 71101; 1301 Gadwall Street, Lake Charles, LA 70615; 111 New Center Drive, Lafayette, LA 70508; 110 Baratavia Street, Lockport, LA 70374; 645 N. Lotus Drive, Suite C, Mandeville, LA 70471.

Adopted this 9th day of November, 2007.

Mike D. McDaniel, Ph.D.  
Secretary
